## WHY ATTEND ATMS

ATMS brings together **AEROSPACE** and **AUTOMOTIVE** OEMs, top tier suppliers, component manufacturers, services and solutions providers through our unique B2B forum. The event will feature a deep focus on advanced manufacturing solutions and will begin with a one-day conference on 'Industry 4.0: A Roadmap To Adoption'. The next couple of days will showcase a dynamic marketplace enabling participants to meet, network and share ideas through pre-arranged face-to-face meetings.

ATMS is NOT a traditional exhibition and is not open to the public. All organizations must register in advance in order to attend.
